

ywca princeton winter enrichment classes!

2012 Registration: Wed, Jan 12 — Thurs, Jan 19
2012 Classes: Mon., Jan 23 — Fri, Mar 23

KidzArt!

Jan 23-Mar 23 (8 classes for \$125)

Learn to draw and more with KidzArt! Our creative drawing classes help kids soar! We teach that there are no mistakes in art which encourages problem solving and thinking outside of the box. Students use high quality, professional art materials. It's fun experimenting with a variety of mediums including marker, pastels, charcoal, colored pencils and watercolors. Each week your child will complete a brand new drawing project made up of landscapes, animals, objects and winter themes. Come join us! *A minimum of 5 students needed.*

- **Mon** Village (3-4) 4:15-5:15
- **Wed** Orchard Hill (K-2) 4:15-5:00
- **Thurs** Community Park (K-5) 3:30-4:15
- **Thurs** Riverside (k-5) 4:45-5:45

Science Seeds Science for Curious Minds

Jan 23—Fri, Mar 23 (8 classes for \$125)

In this hands-on, projects based class, students will investigate simple circuits, learn simple facts about electricity and batteries, discover how motors work learn about circuits that are in parallel and in series, examine switches to name just a few. We will apply your new knowledge to possibly building flashlights, making electric powered vehicles and simple toys. Projects will depend on the age of participants. An electrifying experience awaits you. *A minimum of 10 students needed.*

NO CLASSES on Mon., Jan 17 and Mon., Feb 21
If necessary, make-ups will be scheduled at the end of the Winter Enrichment Program. Make-ups are scheduled if the class has been cancelled due to inclement weather or unforeseen circumstances by the instructor teaching the class.

- **Tues** Community Park (k-5) 3:30-4:15
- **Tues** Riverside (k-5) 4:30-5:15
- **Thurs** Village (3-4) 4:15-5:00
- **Fri** Orchard Hill (k-2) 4:15-5:00

Tappy Math

January 23-March 23 (8 classes for \$125)

Description: Learn math times tables through the rhythms of Tap Dancing. This dance class is designed to enrich and strengthen math facts and curriculum taught during the school day by your child's classroom teacher. Your child will be re-enforcing their math facts through tap dancing.

This class will teach fact families, associative properties, distributive properties, concepts of counting by ones, skip counting, doubling and partitioning of numbers, implicit theory (repeated addition) and unitizing of numbers. Don't know what any of this means? Don't worry, your kids will be all the smarter for taking this class.

- Tues. Village 4:15-5:15 pm (Grades 3-4)**
- Fri. Community Park 3:15-4:15 (Grades 3-5 only)**
- Riverside 4:30-5:30 (Grades 3-5 only)**

Krav Kids

January 23– March 23 (8 classes for \$120)

Krav Maga is a self-defense and fitness program designed for each age appropriate group of students. It teaches discipline, confidence, safety and camaraderie to all students. It focuses on aspects of character development, team building conflict resolution and gang resistance. Students will learn two to three self-defense techniques, and then incorporate them in games and activities that reinforce the lesson. Students will receive a certificate and the end of the end of the program.
