ANNUAL REPORT 2016-2017

YWCA IS ON A MISSION.

Dear Friends, Members and Supporters,

Thank you for being ON A MISSION with YWCA. Together, we strengthen the bold and iconic “YW” banner that crosses our country and spans our globe. Never has it been so important to stand in solidarity with our sisters around the world in our quest to eliminate racism and empower women. We stay true to our purpose by modeling peace, justice, freedom and dignity in everything we do. Our belief in humanity and human equality is central to our programs, services and initiatives.

A YWCA ENVIRONMENT THAT PROMOTES RESILIENCE, OPTIMISM, KINDNESS, ACHIEVEMENT AND LONGEVITY.

1922 YWCA National Board grants the YWCA Princeton its charter membership

1930 The Princeton Leisure Time School established by YWCA; now known as Princeton Adult School

1940s Shipped clothing and packages through the YWCA World Emergency Fund overseas to areas devastated by war

1950 Sadie Poulson Dickerson is the first woman of color elected president of the integrated YWCA Princeton

1963 Pearl Bates Scholarship Fund established enabling economically disadvantaged community members to participate in YW programs

1970-73 YWCA Princeton creates Committee for Racial Justice bringing human relations programs into schools, and stands in favor of low- and middle-income housing

“For almost 100 years, YWCA Princeton has served our region with EDUCATION as our equalizer.”

How do we do this?

- We offer new parents affordable infant care, culturally diverse (and bilingual) early childhood education, and accessible before/after school care.
- We better the lives of families with opportunities that include art and dance, swimming and wellness, and advanced learning made fun through state-of-the-art initiatives like all-girls competitive robotics.
- We help new Americans navigate Citizenship, learn English, and acclimate to our communities and our workforces, while offering the opportunity to socialize in and around Princeton as members of “Newcomers and Friends.”
- We support women, couples and families who are facing a breast cancer diagnosis as they embark on a journey of survival by surrounding them with nature and nurture, while offering a “clubhouse” culture where everyone knows their name.

Our efforts have no bounds, and our programs can be found in Trenton, Hamilton and Lawrence, as well as on the corner of Paul Robeson Place and Bayard Lane in Princeton, which has served as our Headquarters since 1957.

At our main facility in Princeton, we have been hard at work to strengthen its foundation. It is hard to argue that our Princeton facility, which has been serving so many of our neighbors so unconditionally, is now in dire need of renovation and reimagining. Following an intense data-driven analysis, and acknowledging years of maintenance deferred by one of our Nation’s deepest economic recessions, we are setting out to overhaul our real estate holdings while ensuring a seamless continuum of care for those who rely upon us.

Each day we seem to attract yet another generous and mindful person who understands our purpose and wants to fuel our planning to the best of their ability. In fact, incredible people from all walks of life share their time, talent and treasure with us every single day, beginning with our volunteer Board of Directors!

You may wonder what boosts our confidence during challenging times. The answer is obvious to us.

We are inspired by the women, men and groups of neighbors who came before us. We are mindful of our expansion into Trenton and Hamilton, where the YWCA history also runs deep. Hundreds of supporters who span our region also boost our confidence and efficacy, as you will see by the ensuing pages of this Annual Report!

It is said that not-for-profit organizations benefit equally from generosity and gratitude. We agree. We can affirm that these qualities have created a YWCA environment that promotes RESILIENCE, OPTIMISM, KINDNESS, ACHIEVEMENT and LONGEVITY.

Please take a moment to skim through this report. Take notice of the names and faces that ensure our YWCA IS ON A MISSION. If you would like an update on our facilities and initiatives, please feel free to stop in, or call to arrange a personal tour. We are confident our community is going to witness a transformation in time for us to mark our 100th year in Princeton. Please call on us if you want to hear more!

It is the people who take the time to read this letter who make our day, each and every day! Thank you!

In solidarity, Judy Hutton, CEO

Dr. Cheryl Rowe-Rendleman, Board President

1972 Breast Cancer Resource Center (initially called ENCORE) opens to help mastectomy survivors.

1985 Bramwell House is purchased as an annex for expanding classes and programs

1989 English as a Second Language program expands, offering more classes for immigrants new to the greater Princeton area

1995 YWCA Princeton Child Care Center at Valley Road School established to serve primarily low-income Latino and other minority populations not being served elsewhere

● We advocate for equal pay and financial empowerment.

● We embrace and champion anti-bullying education.

● We foster the special bond between parents and children.

● We provide almost a half million dollars in scholarships annually.
